▶ KEY INGREDIENTS

- **Green Tea Leaf Extract** - Green tea is a super food that is low in calories and high in nutrients and antioxidants. It's known to aid healthy cells in all stages and improve blood flow to keep blood sugars stable. Because of its natural caffeine content, it also helps boost energy.
- **Yerba Mate Leaf Extract** - Cultivated in South America, this plant's leaves are high in various minerals and properties that provide extra energy.
- **Acerola** - Found in the hot, dry climates of the Americas, acerola comes from the bright red berries that are high in Vitamin C, which is an effective anti-oxidant. It is also low in sugar with many other vitamins and minerals.
- **Ingredients list:** reverse osmosis carbonated water, acerola puree, mango puree, green tea leaf extract, yerba mate leaf extract
